

LIBRARIANS + Families = Math!

Talk, Sing, Read, Write About
and Play Together With:

Numbers

Talk about numbers, count, and even sing number songs

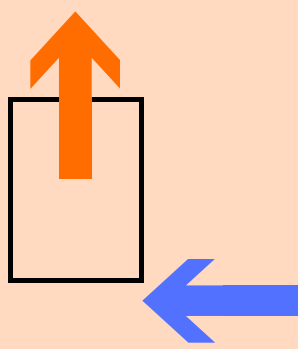

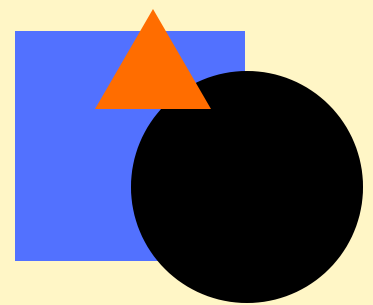

Patterns

Sing songs with a catchy beat and read poetry with a repeating rhythm

Shapes

Ask questions about magnetic blocks, Legos, puzzles and tangrams

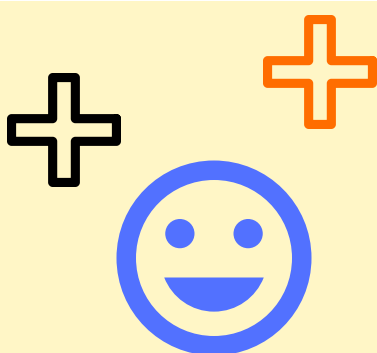

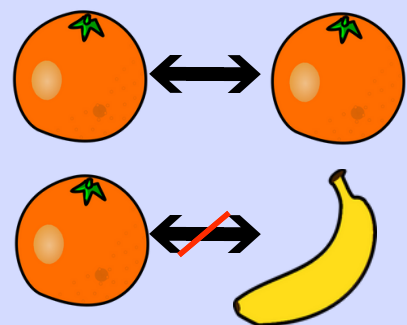

Space

Sing songs and tell stories that use spacial vocabulary, like "up," "down," "inside," "around," "on top of," and "behind"

Comparisons

Read, talk, and sing about quantities and comparisons in daily lives

Positive Attitude

Talk positively about math and motivate children to be excited about it
