## **GLOBAL FAMILY RESEARCH PROJECT**

## How Families Promote EARLY LITERACY

Positive early literacy experiences set children on a pathway to become confident readers by the time they reach third grade, which is an important milestone on the pathway toward high school graduation.

Research shows that when families...

Have ongoing and engaging conversations with their child

Create literacy-friendly environments

Make reading enjoyable

Hold high expectations for their child's learning

Communicate with their child's teacher

Visit the library

Use home languages
